OVERVIEW

ABOUT THE COURSE

A Reynlab centre is a classroom inside your running workshop, with one full-time faculty member trained by Reynlab. There is no new premises and no rent, and practicals happen in your bays on real vehicles. Reynlab brings Lab on Wheels workshops to colleges in your territory and sells online courses to their students; every student from those colleges is booked to your centre, which runs the hands-on and its own offline courses.

LOW INVESTMENT

Rs 6.5L-8.5L in all, using the space and bays you already have.

A REAL TRAINING BRAND

TÜV SÜD Authorised Training Partner, 18 years of engineering and 5,000+ students trained.

REYNLAB FILLS THE FUNNEL

4 Lab on Wheels workshops a year, college sales by Reynlab's team, and territory leads routed to you.

CLEAR MONEY FLOW

Reynlab collects every fee and pays your share monthly, with a statement for each learner, college and workshop.

HOW IT WORKS

WHO DOES WHAT

01 YOUR WORKSHOP PROVIDES

- An automotive workshop that is already running
- A 300-500 sq ft space for the classroom
- An accessible part of the city, with parking
- Paying-guest accommodation nearby, preferably, for outstation learners
- One full-time faculty member, selected with our help and trained by us

03 YOUR CENTRE DELIVERS

- Offline courses, run the way Reynlab Chennai runs them
- Hands-on for every online student booked to you
- Support at Lab on Wheels workshops in your territory
- Quality standards and CDS reporting

02 REYNLAB PROVIDES

- Classroom setup standard and practical kit vendors
- Help selecting your faculty member; training and certification at Reynlab HQ
- Year 1 launch advertising
- 4 Lab on Wheels workshops a year: materials, transport and trainers
- College sales, the LMS, curriculum and the CDS platform
- Placement support through the Reynlab network

04 HOW YOU ARE PAID

- Offline courses: you keep 85% of the fee before GST
- Lab on Wheels in your territory: 15% of the billing (about ₹2.5-3L a workshop)
- Online students from those colleges: the price (₹3,500-5,000) less ₹1,500
- Hands-on for colleges outside any territory: ₹500 per student per day

INVESTMENT

WHAT IT TAKES

FRANCHISE FEE

₹3L

- One-time fee covering brand licensing, Year 1 launch advertising, faculty training at Reynlab HQ, classroom setup support and onboarding. Fixed for every partner.

CLASSROOM SETUP

₹2-3L

- A 300-500 sq ft classroom inside your workshop: seating, projector or screen, laptops, air conditioning, whiteboard and Reynlab branding.

PRACTICAL KIT

₹1.5-2.5L

- Diagnostic scan tools, oscilloscope, multimeters, ECU bench kit and training components. Practicals also use your bays and real vehicles.

Classroom and kit figures are estimates; the franchise fee is fixed. No rent: the classroom sits inside your workshop.

WHAT A CENTRE CAN EARN

ILLUSTRATION

An illustration, not a promise: your share less running costs (faculty, utilities, marketing), before tax and the owner's own salary. A successful workshop converts about 100-150 of its 200-300 students to online courses.

YEAR 1

Offline learners a month: 2-3

Lab on Wheels workshops: 4

Online students per workshop: 60-100

Net to the centre a month: ₹0.8L-1.4L

YEAR 2

Offline learners a month: 3-5

Lab on Wheels workshops: 4-5

Online students per workshop: 80-125

Net to the centre a month: ₹1.3L-2.6L

YEAR 3

Offline learners a month: 4-6

Lab on Wheels workshops: 4-6

Online students per workshop: 100-150

Net to the centre a month: ₹1.8L-3.1L

Who can apply?

Owners of automotive workshops that are already running, with 300-500 sq ft for a classroom in an accessible part of the city with parking.

Who sells to colleges?

Reynlab's team. Workshops in your territory, and colleges you bring in, are booked to your centre, along with every online student from them.

What does the franchise fee cover?

Brand licensing, Year 1 launch advertising, faculty training at Reynlab HQ, classroom setup support and onboarding. It is fixed at ₹3L.

How are learners protected during practicals?

Every practical-course learner accepts a consent and liability waiver when they sign up, and the centre keeps its workshop insurance current.
